

PLEIADES

LIGHTING

Ready to sell

This chandelier "**Kappa Tauri**" is hand-made from natural leather. Every detail of this charming piece is hand-cut and assembled by skilled artisans in our workshop. The small size of the chandelier allows it to be easily incorporated into a variety of interior spaces and styles. It adds a touch of elegance and craftsmanship to any room, whether it's a cozy country cottage, a rustic cabin, or a modern loft-style apartment. Hang the small leather chandelier above a dining table, in a reading nook, or as a statement piece in an entryway to create a warm and inviting atmosphere. Its soft glow and intricate leatherwork make it an ideal choice for spaces that prioritize comfort and a rustic charm.
